## SIDE WITH US!

The exterior siding on Historic Eisenhower Chapel is in dire need of restoration. Each donation will be used as a match toward a grant from the State Historical Fund. We are proud to partner with Historic Denver in this venture and are grateful for their support in writing and securing this important grant. Historic Denver will help us manage the project and ensure that materials and methods are appropriate for a structure with National Register and Local Landmark status. We are asking the Lowry Community to “Side With Us” and help us raise the additional \$83,127 needed to complete the project.
